New “Inexperienced Tennis Players League” Information

To all the new and inexperienced players who are learning to play tennis for the first time, we have a new night catered just for you.

We will be starting a new division on a Wednesday night called “Inexperienced Tennis Players League”. Entry to our new league will be for beginners or first time players only.

We will run the league the same as all our other Social tennis competitions and celebrate end of season with awards for winners and losers.

The format for Wednesday night is mixed doubles.

The new league commenced on Wednesday the 16th of November and concludes on Wednesday 14th December 2011.

As an introductory offer we will reduce your Wednesday night fees to match our member fees of just \$5, using used balls for the current spring season and the summer season commencing 30th January 2012.

The bar and club house facilities will be available after the matches.

All completed registrations to be forwarded to the Wednesday Night Tennis Coordinator Peter Schwidder in person or peterschwidder@hotmail.com.
